Jenni Woods

SPEAKER PROFILE

- Jenni Woods is a data and analytics professional with nearly 19 years experience of working in NHS Tayside. A truly collaborative leader, Jenni has a track of record of delivering highly successful analytical programmes and is passionate about the use of data to underpin transformation. The adoption of a Command Centre continues to be developed and adopted, especially with the use of predictive analytics to understand demand more accurately.

- In her current position, Jenni is the team lead for analytics for NHS Tayside, supporting both acute and community workstreams. Prior to her current role, Jenni worked for 3.5 years as a Management Information Analyst at Aviva, Perth.

- Actively pushing collaborative leadership and learning, Jenni is an active advocate for data driven cultures and supports innovative discussion and networking across the analytics sector.

Sean Price

Host

- Before joining Inphinity, Sean worked as Qlik's EMEA Director of Industry Solutions (public sector and healthcare). An innovative and successful industry leader in analytics, delivering transformational and award-winning solutions across public sector and healthcare.

- Possessing a natural ability to understand and bring technology, people and processes together, combined with a passionate, inspirational and fearless delivery style; a strong reputation and professional following has been built.

- With a significant industry knowledge base, combined with experience of delivering analytics solutions across different countries, has seen Sean deliver international speaking, eventing and customer engagement. Numerous and frequent thought leadership publications continue to be authored.

- Sean had over 18 years experience in front line public service - An innovative and successful senior leader in a large and complex organisation. In his last role, he headed up a department of nearly 80 specialists, with a portfolio that included; Business Intelligence (including GIS), Digital Services (e.g. web/intranet), Major and Serious Crime Review, Organisational Learning, Continuous Improvement, Risk Management, Inspection and Audit, Policy, Volunteers and Specials, Governance and Secretariat. Achievements include; Chief Constable Commendation; National and European innovation awards for predictive analytics; nationally recognised enterprise Qlik Sense roll out.
